

SOLAB
TO THE NEXT LEVEL

HIGH-PERFORMANCE
SL/GS and SPEED
TRAINING
Norway, Fonna

03. MAY - 12. JULY 2024

SPEED TRAINING SCHEDULE

The 7-Day Speed Training Course will include the following:

Arrival/Departure is always on Fridays.

Services included:

- Six days of ski training (technical free skiing, SG and DH)
- 5 hours of training on Snow, which offers 8-12 runs x 75 sec
- The training altitude is only 1'450m above sea level,
- Inclusion of innovative training methods (i.e. Twin Carver)
- Max. 10 racers/coach
- Daily condition training & mental coaching
- Support with ski tuning
- Daily video analysis
- Final report and videos
- Daily transportation to the Glacier
- Transportation from and to Bergen Airport

Important note:

In case the weather conditions do not allow a reasonable speed camp realization, we reserve the right to change from Speed to free/school skiing and/or SL and GS disciplines.

Insurance:

All participants must have accident insurance valid in Europe, covering rescue on the slopes, including helicopter, medical care, and repatriation. We also recommend travel insurance that will reimburse unused services (ski pass, training, accommodation, etc.) in case of injury/illness.
